ARGO SCOUT

NOW IN INVENTORY!

The ARGO Scout is a 6-wheel drive amphibious off-road vehicle with a 23hp Kohler Command Pro engine with electronic fuel injection. It has a Mossy Oak Infinity camo shell for hunters and outdoorsmen who desire more stealth in the woods. It comes standard with upgraded front and rear seat cushions, a moveable heavy duty hood rack, as well as a removable fold down rear rack for extra storage. It also has a dual bilge pump, an enhanced brush guard and a Warn 3500 lb. power winch. These vehicles have fog lights, entry steps, and a 12V/USB power outlet. Now you can feel secure that the ARGO Scout will get you to your prime spots and back again.
